BAKERSFIELD CONDORS EXECUTIVE MANAGEMENT

President Matthew Riley

Matthew Riley has been at the helm for all 20 years of the Bakersfield Condors. He is responsible for the growth and development of KG (US) Oilers Corp. and the Bakersfield Condors.

Riley has guided the team through dramatic advancements and projects, starting with moving the Bakersfield Fog into the then-named Centennial Garden in 1998, and including the absorption of the West Coast Hockey League into the ECHL, the 2014 purchase of the Condors by the Edmonton Oilers, the team's elevation to the American Hockey League (AHL) in 2015-16 and the Three-Way Chevrolet Condorstown Winterfest on the turf at Bakersfield College's Memorial Stadium in 2016-17.

Riley took charge of the Condors in July of 1998, and in his first season at the helm, the Condors were named the West Coast Hockey League Organization of the Year. In 2001, his title was expanded to include President. During the summer of 2002, Riley was named the Acting Commissioner of the West Coast Hockey League, and he served on the ECHL Board of Governors Executive Committee.

He was the second 2-time winner of the ECHL Executive of the Year (2006-07, 2013-14) Award and was runner-up on several occasions. He captured the WCHL Executive of the Year during his second season in 1999-2000, and the Condors have won 25 league awards for their business operations under his leadership.

The Keokuk, Iowa, native previously served as the Executive Director of the Mobile (AL) BayBears Baseball Club, the class-AA Southern League affiliate of the San Diego Padres, and was integral in the construction of Hank Aaron Stadium, their home park. During their inaugural season in 1997, the BayBears led the Southern League in attendance. He also served as General Manager with the Mobile BaySharks Baseball Club, Assistant General Manager of the Chattanooga (TN) Lookouts (Southern League) and interned for the St. Louis Cardinals Baseball Club. Riley is a graduate of Nebraska Wesleyan University with a degree in communications. He earned a master's degree in sport management from the United States Sports Academy in Daphne, Alabama.

Riley serves on the Board of Directors for the Condors Community Foundation, and is very active with youth sports in Bakersfield, particularly youth hockey, where he organized the adoption of the Junior Condors name for Bakersfield's existing youth hockey program. He and his wife, Teri, reside in Bakersfield with their son, Landon.

BAKERSFIELD CONDORS HOCKEY OPERATIONS STAFF

Head Coach Gerry Fleming

Fleming, 50, is the first and only head coach in Condors AHL history. He enters his third full season, and fourth overall, as a head coach in the American Hockey League. The 2016-17 season saw the Condors improve in wins and points, and saw Fleming reach career head coaching milestones of 700 games and 400 wins. He was named head coach of the Condors on July 21, 2015.

Fleming replaced Todd Nelson as head coach in Oklahoma City (AHL) on December 15, 2014 and posted a 26-21-3-1 (.549) record, leading the Barons to their fifth straight postseason appearance. He took the Barons to the second round after sweeping San Antonio in the Calder Cup Playoffs before falling in Game 7 to the eventual Western Conference Champions, the Utica Comets.

Prior to that, he served as an assistant coach for the Oilers AHL team since 2008-09, both in Springfield (2008-10) and Oklahoma City (2010-2014). His resume includes eight seasons as a head coach in the ECHL from 2000-2008, with Tallahassee for one season and the Florida Everblades from 2001-2008. In Florida, Fleming posted an overall record of 282-162-60 (.619), including back-to-back Kelly Cup Finals appearances in 2004 and 2005.

The Montreal native began his coaching career as an assistant coach in the AHL in 1998-99 with the Fredericton Canadiens - where he played in all seven of his professional seasons. Fleming racked up 103 points (38g + 65a) and 1,077 penalty minutes in 271 AHL games, and added 42 penalty minutes in 11 NHL games with Montreal. Fleming attended and played at the University of Prince Edward Island.

Assistant Coach J-F Houle

Houle, 42, enters his fourth year in Bakersfield after serving as an assistant coach for the team's first two seasons in the AHL, and head coach in 2014-15, the team's final ECHL season.

He spent the prior four-plus seasons as a head coach in the Quebec Major Junior Hockey League (QMJHL) with both Lewiston and Blainville-Boisbriand. In 305 regular season games, the Quebec City native compiled a record of 174-101-12-18, good for a .617 point percentage. That record includes four consecutive 40-win seasons.

As a player, Houle was drafted by the Montreal Canadiens in the fourth round (#99 overall) of the 1993 National Hockey League (NHL) Entry Draft. He played four seasons at Clarkson University, where he earned a degree in business administration. He played five pro seasons, split between the AHL and the ECHL. He was a teammate in Fredericton of Gerry Fleming, and played under him in both Fredericton and Tallahassee of the ECHL.

Houle is the son of Réjean Houle. His father was the number one overall pick in the 1969 NHL Entry Draft by the Canadiens, played over 700 games with the club, and went on to win five Stanley Cups.

Assistant Coach & Manager of Hockey Operations Tony Borgford

Borgford, 43, enters his third season in Bakersfield and fourth with the Oilers organization, after coming on in 2014-15 as an assistant coach with the Oklahoma City Barons.

The Regina, Saskatchewan, native spent 11 seasons in the National Hockey League as a video coordinator and coach - three with the Winnipeg Jets (from 2011-2014) and eight with the Atlanta Thrashers, starting in 1999 with the team's inception.

Borgford played four seasons on the blueline at Mercyhurst College in Erie, Pennsylvania, from 1995-1999, where he graduated with a degree in accounting. He made the jump to the NHL straight out of college.
